## **Executive Summary**

One of the duties of SACRE is to monitor the provision of Acts of Collective Worship in schools in the local authority. In the past, the information that enabled a SACRE to fulfil this duty might have been provided by a specialist local adviser who worked full time in an area. Cuts in the budgets of local authorities mean that only a small number employ such an adviser. Thurrock SACRE is fortunate that the Council do fund a specialist adviser for a fixed number of days to support their work. Likewise, the Office for Standards in Education (Ofsted) used to report on Acts of Worship but shorter inspections and a change in their focus means that inspectors do not systematically report on Acts of Collective Worship.

Thurrock SACRE reviewed the policies of a number of schools in the summer term meeting 2019 and reported to schools on their findings. This report proposes that SACRE review a second sample of policies on Acts of Collective Worship that appear of school websites to determine if anything has changed in the last year and to identify good practice. As with the 2019 exercise. The aim of the exercise will be monitoring of provision and also for SACRE to become more informed about practice in local schools.

### **1. Recommendation(s) that SACRE:**

**Consider a sample of policies from Thurrock schools to determine how Collective Worship is offered in local schools in the light of the legal requirements set out in section 3 below.**

#### **A. Harris Academy Ockendon**

- B. Grays Convent**
- C. Kenningtons Primary**
- D. Bulham Primary**

**The policies reviewed in 2019 were as follows:**

- 1. Harris Academies – new policy attached (Harris Ockendon 2019)**
- 2. Bonneygate – 2015 policy on the website**
- 3. Horndon on the Hill – due for review November 2020**
- 4. Kenningtons Dec 2016 policy on website**
- 5. St Clere's Sept 2018 policy on website**

## **2. Introduction and Background**

Acts of collective worship – traditionally called 'assemblies' by teachers and pupils alike – have long been a feature of British school life. The 1944 Education Act simply stated that each school day should begin with an act of collective worship on the part of all pupils in attendance at the school. The daily requirement was restated in the 1988 Education Act which also set out a series of new legislative requirements concerning the organisation and character of collective worship.

The government introduced guidance for schools in relation to the law of Religious Education and Collective Worship in the form of Circular 1/94. The Religious Education element of this document was updated by the publication of 'Religious Education in English Schools' in 2010 but no update was provided in relation to Acts of Collective Worship leaving schools with guidance that is more than 20 years old.

## **3. Issues, Options and Analysis of Options**

### **3.1 What does the legislation require?**

The legal requirements can be summarised as follows:

- 3.1.1.** All registered pupils in state-funded schools should take part in a daily act of collective worship unless wholly or partly withdrawn by parents. The term 'registered pupils' includes students up to and including the age of eighteen years in a school sixth form or at a sixth form college but not pupils in nursery schools or classes. Students over the age of 18 are entitled to withdraw themselves from the Act of worship. Collective worship for special school pupils should be provided so far as practicable.
- 3.1.2** There can be a single whole school act of collective worship or separate acts for pupils in different age of school activity groupings.
- 3.1.3.** Acts of collective worship can take place at any time of the school day and, with certain exceptions, should take place on the school premises.

- 3.1.4 In a community, academy or foundation schools (ie other than at voluntary-aided schools), most acts of collective worship each term should be 'wholly or mainly of a broadly Christian character', that is, 'reflecting' the 'broad traditions of Christian belief' without being denominationally biased. But acts of collective worship should also be appropriate, having regard to pupils' ages, aptitudes and family backgrounds.
- 3.1.5 If a community, academy or foundation school believes that the Christian character clause (4 above) is inappropriate for the whole school or certain pupils within it, application can be made for a determination to have that clause lifted or modified. In the case of Academy schools, that application should be made to the Educational Funding Agency. In the case of community or foundation school, to the local Standing Advisory Council on Religious Education (SACRE) Unless the school requests otherwise, a determination will be reviewed by the local SACRE after five years. A determination does not lift the requirement for daily collective worship. Such worship must still be undenominational but may be distinctive of a particular faith.
- 3.1.6 Teachers – including head teachers – have the right to withdraw from collective worship (though, in voluntary schools, these conditions may vary) and cannot be discriminated against for so doing. Attending 'assemblies', on the other hand, is part of a teacher's contractual duty.
- 3.1.7 In a community or foundation school, it is the responsibility of a head teacher, in consultation with the governors, to see that these arrangements are carried out. In a voluntary-aided school, it is the responsibility of the governors, in consultation with the head teacher.
- 3.1.8 The legislation on Collective Worship requires schools to offer a daily act of collective worship that is 'wholly or mainly of a broadly Christian character'. At first reading, this language may appear to disadvantage children who come from families that do not practice a religious faith or who come from a faith other than Christianity.
- 3.1.9 The legislation does however, permit schools to apply to SACRE for a determination to vary the character of Acts of Worship if they see fit. Alternatively, they may use flexibility present in the language i.e. wholly or mainly may be interpreted to mean 50% or more. Similarly, 'broadly Christian' is different from 'distinctively Christian' and a worship theme such as the importance of forgiveness, that is broadly Christian might also be broadly Jewish, Muslim, Sikh etc.
- 3.1.10 Acts of worship provide an opportunity to celebrate the diversity present in their school community, locally and nationally. The way that policies are developed are therefore a useful indicator of how they engage with these issues.

### 3.1.11 Acts of worship may help schools promote the British Value of tolerance and respect for those with different religions and beliefs.

Members agreed that the most helpful policies included some or all of the following:

- A statement about the legal requirements around collective worship including the parental and teacher right of withdrawal
- The aims of collective worship in the school including links to school ethos and values, spiritual, moral, social and cultural development, fundamental British Values and the taught curriculum
- Objectives or intended outcomes for the programme of collective worship
- Practical arrangements about how Collective Worship is organised in the school:
  - Groupings (e.g. year groups, classes/tutor groups, houses, whole school)
  - Timings, including links to the school timetable, calendar and local and national occasions and festivals
  - Leaders and their roles in collective worship – e.g. visitors, senior and middle leaders, individual and groups of pupils
- A clear statement about the nature of collective worship; what it is and what it is not. How collective worship:
  - may link to but is distinct from 'assembly'
  - is different from corporate worship
  - is implemented in a way that is inclusive of those with religious and non-religious worldviews
- A statement about how the effectiveness of the policy will be reviewed, by whom and when

## 3.2 2019 Review findings

At the summer 2019 meeting members agreed that the most helpful policies included some or all of the following:

- A statement about the legal requirements around collective worship including the parental and teacher right of withdrawal
- The aims of collective worship in the school including links to school ethos and values, spiritual, moral, social and cultural development, fundamental British Values and the taught curriculum
- Objectives or intended outcomes for the programme of collective worship
- Practical arrangements about how Collective Worship is organised in the school:
  - Groupings (e.g. year groups, classes/tutor groups, houses, whole school)
  - Timings, including links to the school timetable, calendar and local and national occasions and festivals

- Leaders and their roles in collective worship – e.g. visitors, senior and middle leaders, individual and groups of pupils
- A clear statement about the nature of collective worship; what it is and what it is not. How collective worship:
  - may link to but is distinct from ‘assembly’
  - is different from corporate worship
  - is implemented in a way that is inclusive of those with religious and non-religious worldviews
- A statement about how the effectiveness of the policy will be reviewed, by whom and when

#### **4. Reasons for Recommendation**

4.1 In the absence of information from school visits to observe collective worship, the review of websites appears to be a strategy that can be used to conduct some monitoring of collective worship. In addition, it will be interesting to determine if sharing good practice from the 2019 exercise has had any impact.

#### **5. Consultation (including Overview and Scrutiny, if applicable)**

5.1 Not applicable

#### **6. Impact on corporate policies, priorities, performance and community impact**

- 6.1 The Local Authority reviews its Agreed Syllabus for Religious Education on a regular basis;
- Publishes an Annual Report of its work;
  - Offers guidance on resources and methods of teaching and in consultation with Thurrock Schools;
  - Monitors the quality of provision for RE and Collective Acts of Worship in Thurrock.

This exercise falls under the third elements of this programme.

#### **7. Implications**

##### **7.1 Financial**

Implications verified by: **David May**  
**Strategic Lead Finance, Corporate Finance**

There are no financial implications to this report since the analysis of the data collected through this exercise will be conducted by the Associate RE Adviser as part of her work.

## 7.2 Legal

Implications verified by: **Lindsey Marks**  
**Deputy Head of Law**

The legal duties on the advisory council are set out in s391 of the Education Act 1996. The main one is to advise the local authority on such matters connected with the religious worship in community schools or in foundation schools which do not have a religious character and the religious education to be given in accordance with an agreed or other syllabus as the authority may refer to the council or as the council may see fit.

## 7.3 Diversity and Equality

Implications verified by: **Rebecca Lee**  
**Community Development Officer**

As mentioned 2 above, the Acts of Worship, like religious education can be a means by which schools celebrate the diversity in their school and local community. This in turn may help pupils to develop respect and tolerance for those with beliefs that are different to their own.

## 7.4 Other implications (where significant) – i.e. Staff, Health, Sustainability, Crime and Disorder)

- Not applicable

## 1. INTRODUCTION

### 1.1 Purpose

The academy places an emphasis on the spiritual, moral, social and cultural development of Harris Academy Ockendon students. The opportunity for students to question, develop and celebrate their faiths is built into the curriculum and runs through the pastoral and enrichment programmes.

The academy will support each students' spiritual and moral development within an ethos of tolerance and respect for all parts of our diverse community.

Students will be expected to develop an open and enquiring approach to religious beliefs and practices and embrace tolerance and understanding in our multi-faith society. They will consider what they can learn about religions and what they can learn from religions. Opportunities for collective worship, according to each students' individual beliefs, will be provided during assemblies, tutor time and whole academy events.

### 1.2 Scope

This policy applies to all staff and students (years 7 to 13).

### 1.3 Equality analysis

The academy is aware of its obligations under the Equalities Act 2010 and our public sector equality duty.

### 1.4 Legislative context

- Education Act 1944
- DfE Religious Education and Collective Worship 1994

### 1.5 Statutory Guidance Documents

- DfE Religious Education (RE) and collective worship in academies and free schools 2012
- The National Curriculum

### 1.6 Health & Safety Implications

Harris Academy Ockendon will ensure that students are taught the about a variety of beliefs and British Values through a character curriculum, PSHE and RS lessons.

## POLICY

### 2.1 Principles

Harris Academy Ockendon is committed to inclusivity and this policy sets out that collective worship is not the same as corporate worship. Corporate worship is the worship of people who have a common understanding of what worship includes and who share the same beliefs. Harris Academy Ockendon is not a worshipping community as the students who have a faith are diverse in what they believe, in what they believe God is and

what they believe worship to that God or Gods should entail. Harris Academy Ockendon welcomes those from different faiths and recognises Humanist and/or nonreligious based beliefs as well.

## 2.2 Positive Purposes for Collective Worship

There are many good reasons for wanting to provide collective worship apart from ensuring that the law is met. Collective worship can add value to the education process.

It provides an opportunity to:

- encourage students to develop an awareness of the universal moral principles of right and wrong, justice and fairness and a proper concern for the fate of others and the world
- affirm and celebrate the values and ethos of the school
- add to the students' development an awareness of, and a sense of belonging to, the many different dimensions of the school's community
- experience the sense of gathering for a special purpose
- share an experience that promotes thought and reflection
- promote students' spiritual, moral, social and cultural development
- provide an opportunity to reflect on practical issues raised by becoming an adult citizen of the world
- consider and reflect upon a variety of situations and issues and make a personal response
- reflect quietly and make an internal response in the light of personal beliefs and background; this may include worship of God within each participant's own faith understanding.

Collective worship may be provided in accordance with the law to the benefit of the whole school community. Within this provision it is the Academy concern that the integrity of all present should be recognised and safeguarded.

## 2.3 Aims for Collective Worship

To be meaningful for students, collective worship enables them to reflect on:

- reinforcing positive attitudes
- what it means to be a human being
- questions of meaning, purpose and value
- the best that human beings can be - inspirational, exemplars (people of faith or not) who have demonstrated through their actions, lives and qualities. Examples will come from religious and nonreligious sources.
- personal beliefs and values

The collective worship that we deliver will recognise and value the cultural, linguistic and religious diversity of our country's population and will be conducted within our Equal Opportunities policy.

## 2.4 How collective worship will enrich the experiences of students

Collective worship will reinforce the sense of the school community, by giving students the opportunity to share things of worth with each other, within a reflective space.

Those students who have a faith will be able to use the reflection time to consider issues in the light of their religious beliefs and to pray or worship internally as they feel appropriate. Whilst those students who don't have a religious belief will have the opportunity to reflect and make a personal internalised response to the same stimulus. They will also be able to enter into dialogue with those of faith, enabling both believers and non-believers to appreciate each other's stances.

The language of invitation to reflect will be open and inclusive, ensuring that no student or adult present feels their beliefs have been compromised and ensuring that they are able to participate and grow spiritually.

- enable students to reflect on and question issues such as belonging to the school community, the wider community and to humanity as a whole
- reinforce a sense of community and cohesion through appreciating those things we have in common
- develop a reflective approach to life
- support students in the development of spiritual, cultural and moral perspectives.
- develop a sense of the individual's place in the world beyond the physical, material and the here and now
- provide time to consider values and beliefs - both their own and those of others
- raise awareness of difficulties experienced living a life based on values, beliefs and principles which may not be shared by everyone in the wider community
- provide opportunity to celebrate achievement and to share times of celebration
- support students in responding to crisis at a personal and collective level and provide them with a vocabulary to explore feelings and responses
- support those who have particular needs or who are engaged in times of crisis

### 3. Delivery Content

- Weekly assemblies covering important issues of the day/week e.g. Remembrance Day, Chinese New Year, Ramadan and Diwali (these are only examples and may and may not be part of this year's programs).
- Special House assemblies 1 every half term with a special focus including, Black history week, British values, Being the best you can be, and improving Community spirit (these are only examples and may and may not be part of this year's programs).
- Input from visiting speakers / experts e.g. Motivational speakers, drama shows on important topic including drugs, terrorism and antisocial behaviour
- The Be the Best you can Be character curriculum delivered during Tutor time, is another opportunity for students to reflect on their own beliefs whether religious or otherwise. Specific time is given in tutor time for reflection/prayer, a booklet is given for students to share their views.
- Specific subjects including Humanities has a curriculum devised to educate and support a variety of faiths with stories supporting themes from a range of sources, including sacred texts, faith communities and secular books
- Students also have a voice through school council where they can discuss religious views and supporting charities through fund raising activities.

### 3.1 Organisation

The Leadership team is responsible for planning the calendar of themes, assemblies and "Thought for the day" activities on a termly basis. This is discussed by the Leadership Team, which also provides an opportunity for feedback from Year Teams about assemblies.

# Grays Convent

## HIGH SCHOOL

### **Collective Worship Policy**

This Policy was adopted by the Governing Body Autumn 2018

This Policy will be reviewed in Autumn 2021

#### **The Mission of Grays Convent High School**

At Grays Convent we recognise the value of each individual as a gift from God to the world. We are a Catholic school founded by the La Sainte Union Sisters and our ethos is one of unity, prayer, worship, service and work. We strive to follow the example of the Sacred Hearts of Jesus and Mary by enabling learning to take place in a caring and accepting community. We are blessed by Jesus the Good Shepherd, try to follow him in everything that we do, and in doing so make the most of our God given talents. We are one with God.

#### **The Nature of Collective Worship**

We believe that Christian worship in a Catholic school names and celebrates God's presence in our lives. It is concerned with giving glory, honour, praise and thanks to God. It is our loving response, in word and action, to God's

invitation to enter into relationship, made possible through the work of Jesus Christ and the witness of the Holy Spirit.

## The Place of Collective Worship in the Life of our School

Our school was founded by the L.S.U. Sisters to reveal God's love; therefore worship in this school is more than just a legal requirement. It is an integral part of school life since our mission statement says that "We are a Catholic school and our ethos is one of unity, prayer, worship, service and work."

Collective worship takes into account the religious and educational needs of all who share in it:

- Those who form part of the worshipping community in church;
- Those for whom school may be their first and only experience of church; □ Those from other Christian traditions – or none; □ Those from other faith backgrounds.

It will be an educational activity or experience to which all can contribute and from which all can gain.

## The Aims of Collective Worship at Grays Convent

We believe that Collective Worship in our school aims to provide opportunity for all pupils and staff:

- To contemplate something of the mystery of God and to have opportunity to develop a personal relationship with him
- To reflect on spiritual and moral issues
- To explore their own beliefs
- To respond to and celebrate life
- To experience a sense of belonging and develop community spirit
- To develop a common ethos and shared values
- To enrich religious experience
- To grow in liturgical understanding and development
- To reinforce prayers which are part of the Catholic tradition
- To reinforce positive attitudes
- To participate fully
- To take time out 'to wonder at', 'to come to terms with' and 'to give worth to.'

## Principles

All Acts of Worship in this school will:

- Give glory and honour to God;
- Be centred on the Word of God, on Mary, the life of a saint or Catholic Social Teaching.
- Be a quality activity, fundamental to the life of the school and its Catholic character;
- Develop in pupils skills that enable them to prepare, organise and lead worship rather than always participating or contributing in a token way;

- Give pupils positive liturgical experiences, appropriate to their age, aptitude and family backgrounds in order to prepare them for the liturgical life of the Church.<sup>1</sup> In order to do this, celebrations will:
  - be kept small wherever possible or appropriate to help to personalise the experience;
  - be short and appropriately paced;
  - be simple, including a range of experiences offered in a variety of groupings and in a variety of settings.

(<sup>1</sup> Directory for Masses with Children, paragraph 9.)

As a school we aim for “acts of collective worship to engage all pupils’ interest and inspire them in deep thought and heartfelt response.” (\*) Pupils will regularly prepare and lead worship with confidence and enthusiasm, and experience different methods of praying. They will also show respect to those who have different beliefs and attitudes to spirituality from their own.

\*Diocese of Brentwood Handbook for Inspection of the Catholic Life and Religious Education in Schools.

Collective worship in our school will be:

- properly planned
- adequately resourced
- recorded
- monitored
- evaluated

## Policy Monitoring and Review

This policy is monitored by the Headteacher, Head of R.E, and is evaluated and reviewed by the governors every two years. The Foundation Governors in particular will play a most important role in this review and visit regularly to report on the spiritual life of the school.

The school will regularly seek the views of stakeholders on the effectiveness of our spiritual life.

## From policy to practice (from Staff handbook)

### Daily act of Worship

All Form Tutors conduct an act of worship with their form groups. Form Tutors may choose to lead the worship themselves or may organise a rota among the pupils. A daily act of worship is sent by the Chaplain each day.

### Form prayer resources

Every Form Tutor is provided with the following resources, which also need to be accessible to pupils and to other teachers covering registration:

- A Good News Bible
- 'A Catholic Prayer Book'
- 'Our Form Prayer Book': Provided by the Chaplain for all regular Form prayer times (usually via PowerPoint). Also, students' own prayers should be kept in this book.

Tutors are encouraged to facilitate opportunities for pupils to share and experience different styles of prayer and approaches to classroom worship. The Chaplain is available to discuss ideas or offer any help, if required.

## Daily & Weekly Assemblies

Year Group assemblies are held once a week by the Head of Key Stage and are led by form groups in rotation. Assemblies reflect the liturgical year. Form Tutors help their Tutor group to prepare their items for presentation at assemblies. They include music, readings, drama and other aids to reflection. A liturgical calendar and recommendations for liturgy are supplied by our Chaplain each term. Key stage assemblies are held once a week, led on a rota by the Headteacher, and the two Deputy Headteachers.

## Celebrations of the Eucharist

The most important liturgy is the celebration of Mass, which is central to the life and ethos of our school. Voluntary Mass is open to all pupils and Staff on alternate Wednesdays, led by pupils. A calendar of masses and leadership for them is produced by the Chaplain. In addition:

- Mass is celebrated on Holy Days of Obligation when they occur on a weekday in term time,
- Easter is celebrated with a Mass
- We have a welcome Mass for our Year 7 pupils and their parents.
- A Leavers' Mass is held in June, prepared by the Year 11's for themselves and their parents. Remembering also, any members of staff who may be leaving. □ We have an end of year Mass

## Staff Briefings and collective meetings

Staff briefing on a Monday begins with a prayer and/or reflection led by the Headteacher, Deputies, Head of R.E or the chaplain. All staff meetings begin with a prayer. Staff have a mass on the first day of term, including the blessing of hands.

## Christmas Carol /Reflection service

A Christmas service is celebrated during the school day for pupils and staff. Parents, Governors and other visitors are invited to an evening Carol Service.

## Sacrament of Reconciliation

During the season of Advent & Lent, there is opportunity for all who wish, to receive the Sacrament of Reconciliation, in special services prepared by the pupils.

## Lenten Reflections with the Chaplain

R.E. Classes take turns to come to the Chapel for Lenten Reflections on the Holy Week Stories/ Stations of the Cross.

## Easter Reflections with the Chaplain

Some R.E. Classes (depending on GCSE exam time-table) have Easter Reflections on the Resurrection stories.

## Exposition of the Blessed Sacrament in Advent, Lent and June with the Chaplain

Girls have opportunity to experience silent reflection before the Blessed Sacrament either in Form groups or R.E. classes during Advent, Lent and June, the month of the Blessed Sacrament.

**Additional Voluntary Liturgies:** Everyone is invited and very welcome to all our liturgies. We have a variety of prayer groups offering different styles of prayer, these are known as Chapel Clubs and are chosen by the girls. They include:

### Celebrations

Celebrations are held in the Chapel on special feast days, when there isn't a Mass e.g. Feast of the Presentation in the Temple. We have a dramatized Bible story, reflection, prayer & praise with singing.

### Prayer & Praise

Gospel style contemporary and traditional hymns with time for spoken prayer & praise as well.

### Drama Group

A dramatized Bible story, with reflection, prayer/ lively praise song

### Rosary Group

Rosary Group is open to all once a week in May and October and additionally on request or for special intentions.

### Pop-in Prayer (Personal Prayer time)

At least one lunch time a week, girls are encouraged to pop-in to the Chapel even just for a minute to pray to God in their own way. (Girls and Staff are always welcome to visit the Chapel in their free time.)

### Optional Adoration of the Blessed Sacrament

This is available some lunch times in June and during Advent and Lent.

Girls and Staff are invited to pop-in to the Chapel for as little or as long as they wish to spend time in God's presence.

### Stations of the Cross

Pupils are invited to join in praying the Stations of the Cross each week during the season of Lent.

### Meditation

Meditation or quiet reflective prayer is offered occasionally. It is included in some Lenten/Easter Reflections and with Class Groups coming for Exposition in June.

### Prayer in Action

During Advent and Lent the whole school community shares the same daily/weekly focus or task.

## Fund Raising and Social Justice Activities

Fund raising for charity, helping people in need is a very important part of school life. Each form chooses a charity and all pupils have the opportunity to take part in fund raising events and good works.

### **Private Prayer**

In addition to our school liturgies, we also have opportunities for private prayer.

## Retreat

Each Key Stage experiences a retreat either at Aylesford Priory or with the Walsingham House team.

### Appendix 1

### **Legal Requirements**

We acknowledge the legal requirement that there must be a daily act of worship for all pupils. (This can take place at any time during the school day and can be either a single act of worship for all pupils, or separate acts of worship in school groups.) We understand that simply holding an assembly that includes a prayer, said either by the teacher or everyone present, does not fulfil this requirement. We also acknowledge that collective worship and assembly are distinct activities. They may sometimes form part of the same gathering, but the difference between the two will always be made clear.

The act of worship is not designated curriculum time under regulations and will not be subsumed under any part of the curriculum, including religious education.

As a rule, acts of worship will take place on the school premises. However, the governing body has the discretion to allow acts of worship to be held elsewhere e.g. church, "on a special occasion".

In this school, as with any Voluntary Aided School, responsibility for arranging Collective Worship rests with the Governing Body after consultation with the headteacher.

Parents have a right to withdraw their child from Collective Worship. However, given the importance of Collective Worship in a Catholic school, parents and prospective parents will be made aware of the fact that it can never be confined to 'timetabled slots' but may take place in a variety of contexts other than those which are specifically structured.

The Collective Worship Policy at Kenningtons Primary Academy pays due regard to statutory requirements, and has taken account of the guidance offered by the LEA through its SACRE.

#### Definition of Collective Worship:

Collective Worship is a time when the whole school, or groups within the school meet together daily in order to consider and reflect on common concerns, issues and interests. It offers all pupils an opportunity to worship through engaging in relevant, meaningful experiences and provides opportunities for the pupils' spiritual, moral, social and cultural development.

#### Aims of Collective Worship

##### For the School:

Collective Worship is a time when the school community can:

- share common aims and values ■ celebrate achievement and special times
- explore together the world in which we live ■ develop a community spirit

##### For the Pupils:

We also intend that Collective Worship contributes to the development of the pupil as a 'whole' person by providing opportunities to:

- worship that which is considered worthy
- consider spiritual and moral issues
- explore their own beliefs ■ develop their own spirituality ■ reinforce positive attitudes ■ participate and respond ■ reflect on what it means to be human

#### The Contribution of Collective Worship to aspects of the Curriculum:

Collective Worship time is distinct from curriculum time. At Kenningtons Primary Academy, however, Collective Worship will at times feature aspects of the curriculum, which will enhance the experiences of pupils by reflecting on the work done in class. At times, Collective Worship will enrich classwork through its consideration of subject matter from different perspectives.

To ensure Collective Worship provides opportunities for spiritual, moral, social and cultural development it should address a wide variety of themes and topics, use diverse stimuli and resources and provide pupils with the opportunity to 'respond' on their own level.

#### The Management of Collective Worship

The Headteacher, Deputy Headteacher and representatives of each year group form the Worship Team.

The role of the team will be to plan, monitor and evaluate acts of Collective Worship.

### The Organisation of Collective Worship

Collective Worship is organised to provide a variety of groupings and will take place in the school hall, or the classroom.

Acts of worship will usually last for approximately 15 minutes, although it is recognized that this time will be shortened or lengthened when it is appropriate.

### Leadership

Every member of the school staff and occasional visitors will be involved in leading acts of worship at some point in the school year.

### Planning Acts of Collective Worship

The content of all acts of Collective Worship will be considered carefully, to ensure relevance and suitability for the ages, aptitudes and backgrounds of all pupils.

Termly planning sheets list themes, special occasions and events, but will be flexible to allow the inclusion of current and topical issues. Together with weekly planning and recording sheets these will ensure that there is continuity and progression, and enable the monitoring and evaluation of acts of worship to take place.

Visitors will be welcome to lead Collective Worship from time to time and will be given guidance on acts of Collective Worship at Kenningtons Primary Academy. Leaders from Faiths within the area will increase the pupils' awareness, promote respect and raise the esteem of the pupils who belong to these Faiths.

### The Act of Collective Worship

A variety of teaching and learning styles and active and interactive methods are appropriate in acts of Collective Worship. Any and all of the methods employed in the classroom can be used effectively in acts of Collective Worship. A variety of resources will also be used. Leaders will choose the style/method and resources which are appropriate to the content, the age, aptitude and the background of the pupils.

The content and process must be sufficiently stimulating in order to evoke a response in the individual. This may not be visual, but opportunity must be given to express this response through reflection and prayer.

If announcements are to be given at the same time as an act of worship then they will be of a positive nature, which at times may enhance the act of worship itself. Announcements will be made preceding the act of worship and a clearly defined break between them and the act of worship will be made. (A change of personnel, music, a moment of silence etc)

### Withdrawal

Any parent who objects to their child attending an act or acts of Collective Worship may request that their child is withdrawn. Parents are encouraged to discuss this with the Headteacher. Any pupil who is withdrawn from an act or acts of Collective Worship will be supervised during that time by a member of the school staff.

# Collective Worship Policy

## The Diocese of Chelmsford Vine Schools Trust

### Collective Worship Policy

At Bulphan C of E Academy we celebrate the uniqueness of every child of God in a Christian Community and encourage them to flourish and shine in all they do, preparing them for life's journey. Our school has a distinctive Christian ethos which is at the heart of the school and provides an inclusive, caring and supportive environment shaped by our core Christian values of Love, Friendship, Perseverance, Respect, and Wisdom.

We believe that collective worship both supports and strengthens what we aim to do in every aspect of school life. We value this special time in the school day and seek to make it a quality experience for all members of our school community, be they of faith or of no faith.

## Statutory Requirements

It is a statutory requirement that collective worship takes place daily in all schools. All members of staff have the right to withdraw themselves from collective worship and parents have the right to withdraw their children from collective worship. In both circumstances, an appointment should be made to speak with the Head of School and alternative provision will be made.

As a Church of England Academy, our collective worship broadly reflects the traditions of the Church of England and develops learners' understanding of Anglican traditions and practice. Bulphan C of E Academy, we ensure flexibility in our provision to enable all pupils and members of staff to benefit without compromising their own individual beliefs.

## Aims

Collective worship at Bulphan C of E Academy aims to achieve the following goals: □ Collective worship should be **inclusive**: it engages everyone present in his/her own way

- Collective worship should be **curricular**: it shows appropriate links with classroom activities, the curriculum and school life
- Collective worship should be **educational**: it develops children's ideas about God, about themselves and the world around them
- Collective worship should be **reflective**: it offers breathing space to be still, to wonder, to be uplifted, to nurture an awareness of God
- Collective worship should be **central** to school life

## Provision

The leadership team work closely with Rev David Ibiayo and Rev Sue Mann to put together a comprehensive Worship Schedule for the school year. This includes a 'theme' for each term. These themes explicitly link to our school values so that children explore, encounter and experience our values within the context of the Christian faith through the teachings of Jesus and the Bible.

Our values are: Love, Friendship, Perseverance, Wisdom and Respect.

## Pupil Involvement

Through pupil involvement in the planning, evaluation and delivery of worship, we strive to inspire a high level of pupil spiritual and moral engagement in collective worship. Pupil involvement takes many forms, including:

- Pupils from every class are invited to actively take part in worship. The children are encouraged to use props, wear costumes and join in with bible stories. □ The Head boy and Head girl light the candle and say the 'welcome' at the beginning of every worship.
- Worships are often highly interactive and pupils are invited to come to the front of the hall to support the member of staff or visitor.
- Every child joins in with the welcome, response at the beginning of every worship and every child joins in with the Lord's Prayer at the end of every worship. □ Children in year 6 are invited to join the school's Prayer Group if they would like to. These pupils meet weekly with a member of staff to discuss the week's theme, they prepare the hall for worship every day and they evaluate the worship. The Prayer Group give feedback to the member of staff leading worship.
- Children are asked to make suggestions about the choice of worship songs. □ Children write and read their own prayers in both school Worship and Church services.
- Children are invited to lead prayers in class, for example before lunch and during class worship.

## Monitoring and Evaluation

At Bulphan C of E Academy, the leadership team monitor and evaluate collective worship as well as the Prayer Group. Information is gathered in a variety of ways so that monitoring can be as informative as possible.

Methods for monitoring include:

- Individual pupil questionnaires
- Governor evaluations
- Parent questionnaires
- Pupil reflections
- Informal discussions with children around the school
- Weekly meetings with school's Prayer Group
