25 January 2023	Cllr Jefferies	This Council condemns plans by the London Labour Mayor to extend the Ultra-Low Emission Zone to all Greater London and notes with concern the impact this would have on many Thurrock residents if implemented. Members also note the campaign by our Member of Parliament Jackie Doyle-Price to oppose the said extension and calls on Thurrock residents to sign her on-line petition.	<p>Thurrock Council has recently written to the Mayor of London stating that the authority has not been suitably engaged in the ULEZ consultation and therefore has not had the opportunity to work with the Mayor of London's office to devise strategies to mitigate negative impacts of ULEZ proposals. In view of the lack of engagement and in the absence of a response to our consultation submission, the council has no option but to state its objection to the current ULEZ proposals that will impact our road network and users.</p> <p>Nevertheless, the Council has highlighted that it would welcome an opportunity to discuss concerns in more detail.</p>	Mark Bradbury

25 January 2023	Cllr Massey	Members may be aware that National Highways have recently submitted, and had approved, their Development Consent Order for the Lower Thames Crossing scheme, to move forward to the next stage in the Planning Inspectorate process. The LTC Task Force seeks assurances that the Council is committed to opposing the scheme as currently presented and promote this message through Council communications channels	Officers have been in negotiations with National Highways regarding their contribution towards the cost incurred by Thurrock in submitting representations and engaging with the Examination process. This is to ensure as little of the cost as possible is borne by Thurrock residents.	Mark Bradbury
