

## **Motions Submitted to Council**

**In accordance with Chapter 2, Part 2 (Rule 15) of the Council's Constitution**

### **Motion 1**

**Submitted by Councillor J Kent**

Council recognises the refuse service has failed the residents of Thurrock for too long and calls on Cabinet to ensure the regular collection of all three bins.

### **Monitoring Officer Comments:**

Rule 15.2 of the Council Procedure and Rules states that a notice of motion must relate to a matter which affects the authority or the authority's area and must relate to a matter in respect of which the authority has a relevant function. The refuse service is a matter of which the Council has a relevant function. Decisions around this service area are an executive function for the Council's Cabinet to make taking into account all relevant considerations.

### **Section 151 Officer Comments:**

The financial implications of decisions on the collection of waste will attach to specific proposals brought forward for consideration by members. These will be set out as part of the relevant committee reports as required.

### **Is the above motion within the remit of Council to approve?**

Yes
