

Item 8: Petitions Update Report – 23 October 2013

Petition No.	Description	Presented by (and date)	Portfolio Holder	Status Full copies of the responses may be obtained from Democratic Services
426	<p>We, the Community of Grays, would like to see THE STATE previously a CINEMA , opened as an entertainment complex consisting of facilities to be able to provide as many of the following as possible:</p> <ul style="list-style-type: none"> • show films to all ages, (children in the school holidays as well as local people at other times) • be used as a venue for the practising and showing of plays and musicals • be used as a venue for comedians • be used as a venue for musicians to practice and to entertain • be used as a conference and meeting centre for businesses • have the rising organ played regularly • be used as recording studios, if sound proofing allows • be used for dancing • have a room opened for morning coffee, afternoon tea and evening meals • be used for other entertaining purposes, as the community would like • good advertising for THE STATE and its entertainments, having the top of the building illuminated, so as to be seen by people on public transport as well as from 	Resident* e-petition 2 July 2013	Cllr A Smith	<p>The petition was accepted and further signatures to those online have since been received.</p> <p>The petition organiser has received a response from the Head of Regeneration, which advised that the Council recognises the importance of securing the reuse of the building to the future fortunes of Grays Town Centre.</p> <p>This formed a large part of the Council's recent work to develop a clear vision for the town. The Council continues to work with the existing owners of the State Cinema to support efforts to bring the building back into use and, whilst we would certainly support the principle of the uses which you have suggested within the petition, we must recognise that ultimately the reuse of the building needs to be commercially sustainable for the long term.</p>

Item 8: Petitions Update Report – 23 October 2013

	<p>a distance, to attract publicity.</p> <ul style="list-style-type: none"> • be maintained thereafter. 			
427	<p>We the residents of North Stifford call on London Gateway to install appropriate sound mitigation measures at North Stifford to offset the impact of the significant additional lorry and vehicle movements on the A13 associated with their new port development.</p>	Cllr Hague	Cllr A Smith	<p>This is a Highway Agency road and the Council has been in contact with the Agency to understand their priorities. Their view is that the primary noise mitigation solution at this location is resurfacing of existing surface with low noise materials when maintenance is due. Resurfacing is likely to occur between 2014 and 2021. Also, the topography at this location prevents the effective use of noise barriers.</p>
428	<p>Residents of the Blackshots Lane (Leisure Centre end going towards Wentoworth Place) have expressed a wish for yellow lines in that vicinity. This is to alleviate problems for residents due to inconsiderate parking in this area.</p>	Cllr Redsell	Cllr A Smith	<p>The petition organiser has received a response from the Council's Principal Traffic Engineer, which advised that a service request has been raised for parking restrictions to be considered. This will be scored and prioritised for inclusion in our programme of works.</p>
429	<p>This petition requests the Essex and Suffolk Water Company to provide a ring main in the Buckles Lane, South Ockendon vicinity. This area now has 1,000 residents living and working in the Buckles Lane vicinity. They ask to be given a safe environment to live in.</p>	Cllr W Curtis	Cllr A Gaywood	<p>The issues with the water supply are associated with the site itself as opposed to the public supply provided by Essex and Suffolk Water. This is due to the size of the site meaning that some areas on it are distant from the public main.</p> <p>In order to provide the best fire cover in</p>
