Dear Mr Adams

Regarding the Proposal from Thurrock Council to increase the cost of the Licensing of Vehicles and Drivers.

We find the cost of your proposal in the current economic climate is totally unacceptable given the fact that redundancies are occurring and people are taking wage cuts. We find it hard to comprehend the dramatic increase in the fee .

We feel greater consultation between the Company owners and the Council is needed ,before such draconian measures are put into place. We strongly disagree with these measures being brought into effect at this given time .

Yours Sincerely

Mr R Allery

Dear Danielle

On behalf of every driver that works for Tilbury Taxis full time and part time that they all feel that the new increase in fees are unfair on the trade.

The main reason for this is they feel that Thurrock Council are not looking at the amount of business that is in Thurrock but are listening to a

officer that has worked in a different Borough and wants Thurrock to be the same.

This is unfair as I say on the trade and the genral public as private hire companies will just put the prices up to compersate there loss.

So please look at this aglan and come up with a resonable increase.

Kind regards

Tilbury Taxis
