Guidelines on filming, photography, recording and use of social media at council and committee meetings

The council welcomes the filming, photography, recording and use of social media at council and committee meetings as a means of reporting on its proceedings because it helps to make the council more transparent and accountable to its local communities.

If you wish to film or photograph the proceedings of a meeting and have any special requirements or are intending to bring in large equipment please contact the Communications Team at CommunicationsTeam@thurrock.gov.uk before the meeting. The Chair of the meeting will then be consulted and their agreement sought to any specific request made.

Where members of the public use a laptop, tablet device, smart phone or similar devices to use social media, make recordings or take photographs these devices must be set to 'silent' mode to avoid interrupting proceedings of the council or committee.

The use of flash photography or additional lighting may be allowed provided it has been discussed prior to the meeting and agreement reached to ensure that it will not disrupt proceedings.

The Chair of the meeting may terminate or suspend filming, photography, recording and use of social media if any of these activities, in their opinion, are disrupting proceedings at the meeting.

DECLARING INTERESTS FLOWCHART – QUESTIONS TO ASK YOURSELF

Breaching those parts identified as a pecuniary interest is potentially a criminal offence

Helpful Reminders for Members

- *Is your register of interests up to date?*
- *In particular have you declared to the Monitoring Officer all disclosable pecuniary interests?*
- *Have you checked the register to ensure that they have been recorded correctly?*

When should you declare an interest *at a meeting*?

- **What matters are being discussed at the meeting?** (including Council, Cabinet, Committees, Subs, Joint Committees and Joint Subs); or
- If you are a Cabinet Member making decisions other than in Cabinet **what matter is before you for single member decision?**

Does the business to be transacted at the meeting

- relate to; or
- likely to affect

any of your registered interests and in particular any of your Disclosable Pecuniary Interests?

Disclosable Pecuniary Interests shall include your interests or those of:

- your spouse or civil partner's
- a person you are living with as husband/ wife
- a person you are living with as if you were civil partners

where you are aware that this other person has the interest.

A detailed description of a disclosable pecuniary interest is included in the Members Code of Conduct at Chapter 7 of the Constitution. **Please seek advice from the Monitoring Officer about disclosable pecuniary interests.**

What is a Non-Pecuniary interest? – this is an interest which is not pecuniary (as defined) but is nonetheless so significant that a member of the public with knowledge of the relevant facts, would reasonably regard to be so significant that it would materially impact upon your judgement of the public interest.

Pecuniary

If the interest is not already in the register you must (unless the interest has been agreed by the Monitoring Officer to be sensitive) disclose the existence and nature of the interest to the meeting

If the Interest is not entered in the register and is not the subject of a pending notification you must within 28 days notify the Monitoring Officer of the interest for inclusion in the register

Unless you have received dispensation upon previous application from the Monitoring Officer, you must:

- Not participate or participate further in any discussion of the matter at a meeting;
- Not participate in any vote or further vote taken at the meeting; and
- leave the room while the item is being considered/voted upon

If you are a Cabinet Member you may make arrangements for the matter to be dealt with by a third person but take no further steps

Non- pecuniary

Declare the nature and extent of your interest including enough detail to allow a member of the public to understand its nature

You may participate and vote in the usual way but you should seek advice on Predetermination and Bias from the Monitoring Officer.

6. Minutes

The Minutes of Licensing Committee, held on 8 July 2014, were approved as a correct record.

7. Items of Urgent Business

There were no items of urgent business declared.

8. Declaration of Interests

There were no declarations of interest.

9. Adoption of legislation to allow for improved regulation of acupuncture, tattooing, semi-permanent skin colouring, cosmetic piercing and electrolysis within Thurrock

The Head of Public Protection introduced the report to Members explaining that the report was asking the Committee to recommend that Full Council agree to adopt the model bylaw under the Local Government Miscellaneous Provisions Act.

Members were informed that by having the bylaw in place it would enable the Council to register any persons and premises undertaking activities as skin piercing within the borough. It was explained to Members that the rationale behind the decision to introduce the legislation was that activities such as skin piercing and tattooing carried a risk of infection and having premises

registered firstly made them aware to the council and secondly enabled officers to carry out visits and ensure that training was adequate and that hygiene standards are being correctly applied.

It was notified to the Committee that the aim of the work being carried out by officers was to reduce the possibility of blood born infection which could be transmitted by these types of activities.

Officers clarified for Members that the model bylaw excluded acupuncture activity taken by a dentist or someone being supervised directly by a dentist. The rationale behind the decision was that dentists should have sufficient training and knowledge to prevent the transmission of infection and infection control procedures.

Members enquired as to whether the model bylaw was up and running within Thurrock and as to whether the Council would be adapting it. It was further enquired as to how much the fee for registration would cost. Officers explained that as infection issues in relation to skin piecing had been recognised a series of model bylaws had been drafted to be used by Local Authorities. Members were informed that the fee for skin piecing registration would be a one off fee of £120.

Following further questions from Members, the Committee were informed that once a premise had registered with the Council they would have an initial visit during which officers would check training and hygiene standards. Any subsequent visits would be on a level of risk basis.

The Committee were advised that officers had a schedule of works to complete should Council agree to adopt the bylaw, consultation with businesses would be incorporated and would be carried out in a variety of different ways including advertising in local publications and speaking with people working in such premises.

RESOLVED:

That Licensing Committee:

- 1. Recommend Council agree to adopt Sections 14-17 inclusive of the Local Government (Miscellaneous Provisions) Act 1982 as amended by the Local Government Act 2003 Section 120, which deals with the regulation of Acupuncture, tattooing, semi-permanent skin-colouring, cosmetic piercing and electrolysis**
- 2. Recommend to Council that following the implementation period for the adoption of the resolution in relation to Sections 14-17 of the Local Government (Miscellaneous Provisions) Act 1982 as amended by The Local Government Act 2003 Section 120, the Council adopt the model bylaw which can be found in Appendix**

10. Setting of licensing Fees for Consultation

The report was introduced to the Committee by the Head of Public Protection, who explained to Members that licensing fees were varied from time to time and that there were a number of ways officers could set fees they were, a statutory set fee, a locally set reasonable fee that has by statute, a capped maximum amount and a locally set reasonable fee with no maximum cap.

Members were advised that the licences which held a fee were listed within the report at pages 28-31 and although the Council may not currently need all of the licences listed, it was felt that it would be best practice to have them approved should the Council receive an application in the future.

It was queried by the Committee as to the length of the consultation, Officers informed Members that the consultation period varied between the different legislations, however the consultation would be planned for the longest period stated.

Members enquired as to how the Council would correspond with the different parties involved and were notified that Officers would advertise the consultation within local publications and would write to those parties who represented any licence holders.

RESOLVED:

That the Licensing Committee agree for consultation with local stakeholders on all fees that are subject to an increase or decrease as detailed in appendix A, with the results of the consultation to be reported to the next Licensing Committee.

The meeting finished at 7.20 pm

Approved as a true and correct record
