| 479 | Resolve the problems it has with the owners of “Nisa” and “Ockendon Pound Store” and allow them to continue trading thereby providing a much needed and highly value facility for the residents of South Ockendon | 29/06/2016 | Cllr Tolson | <p>There has been communication between a number of people (within and external to the Council) regarding matters relating to the occupation of 11, 13 and 15 Derwent Parade for a number of years. Matthew Essex, Legal and Corporate Property have provided a number of replies to enquiries regarding the action being taken under the leases.</p> <p>The Council is very much aware of the value placed on the service provided through the NISA store by local people within the South Ockendon area and remains in direct discussion with the tenant and their nominated representatives with a view to reaching an amicable agreement.</p> <p>The Council and other agencies have registered a range of concerns with the tenant in respect of changes that they have made to the property and these lie at the heart of the action being taken. The Council is coordinating its action with those other agencies and is working with the tenant to support their efforts to remedy the issues identified and has recently granted an extension of time to allow the tenant further opportunities to do so.</p> |

| | | | | We are hopeful that the tenant will ultimately be able to address these issues. However, in the event that they cannot and the Council is forced to seek the return of the property it will clearly be a priority to secure an alternative operator who can continue to provide this much needed service to local people. |
| 480 | There is insufficient parking for local residents living in Limeslade Close. We request the Council build more parking so that residents are able to park their cars in the road that they live. The two ideas we would like to see is the grass at the end of the Cul de sac on the right turned into parking | 27/07/2016 | Cllr B Little | Officers in Housing are currently investigating the feasibility of the proposal, obtain quotes for the work, carry out a full consultation with the residents and then if necessary add the request to the list. |
| 481 | There is insufficient parking for local residents living in Plashet Close and along Southend Road between numbers 94-116. There is parking outside their properties but this is regularly used by people that are not local to the area meaning that residents cannot park their cars. We request the Council install a parking permit scheme for the parking spaces outside of these properties which would mean that local residents could guarantee that there is space for them to park their vehicles. | 27/07/2016 | Cllr B Little | This request will be included in the Stanford Le Hope Controlled Parking Zone (CPZ) review for inclusion into next year's Highways Capital Programme. There is also merit in undertaking further grassed verge reinforcement to provide additional spaces and this will be added to the request list for review under next year's programme. |
| 482 | We ask our Councillors, to consider what the least worst option would be in their view given the possibility of Option A, Route 14 and request officers of the Council to look at this as an option and report on its viability. An | 30/80/2016 | Cllr B Little | A response is currently being prepared by Officers. An update will be presented at the October full council. |
