

Agenda Item 18

Amendment to Motion 3

Original Motion submitted by Councillor Watson

“This Council notes with concern the Government proposals to change planning law.

This Council believes planning works best when developers and the local community work together to shape local areas and deliver necessary new homes; and, therefore, the Council resolves to write to our local members of parliament asking them to protect the right of communities to object to individual planning applications legislation.”

Proposed Amendment submitted by Councillor Gledhill

“This Council notes the Government proposals to change planning law.

This Council believes planning works best when developers and the local community work together to shape local areas and deliver necessary new homes; and, therefore, the Council resolves to write to our local members of parliament asking them to protect the right of communities to object to individual planning applications in the forthcoming legislation.”
