Essex Police - Thurrock District

July 28 · 🌐

Our community policing team joined forces with @thurrockcouncil Environment Enforcement Team and Housing Garage Services to respond to reports of antisocial behaviour in #Thurrock.

We had received reports that a number of vehicles including cars, motorbikes and quadbikes, were being driven across the area antisocially and causing a nuisance to the local community.

Yesterday, Tuesday 27 July, officers conducted garage searches across the borough alongside our colleagues at Thurrock Council and seized two cars, six motorbikes and two quadbikes which were believed to be linked to the reports. Some of these vehicles were reported as stolen and others had no registered keeper.

Thank you to everyone who continues to report your concerns to us. It's really important that you keep telling us what the issues are in your communities, so that we can work with our partners to take action.

You can now report non-emergency crime and antisocial behaviour via our website www.essex.police.uk making it easier and more convenient for you to get in contact with us. For more information about our online services available, including 'Live Chat' which allows you to send and receive real-time messages with our digital 101 operators, visit www.essex.police.uk/digital101.

Officers are out and about today to tackle nuisance vehicle incidents across the district.

Officers are paying attention to known hotspot locations and dealing with incidents reported, including in the Long lane area of #Grays where several vehicles were stopped earlier, and section 59 warnings issued.
