Petition No.	Description	Presented (date)	Presented (at)	Responsible Director	Status
565	<p>We the undersigned call on Thurrock Planning department to urgently re-engage with Persimmon Homes and use its enforcement powers to ensure the construction workers and residents of Stanford Meadow immediately desist from crossing the ditch between Persimmons Estate and the residents private land as a cut through access. We ask that Thurrock Council and Persimmon Homes work together to re-plan and install more robust security measures between the two estates which will reduce the loss of amenity caused by current lack of security and reduce the visibility from the new development into the above properties. Tree planting would not be a deterrent, also the cycle track/walkway has over a six-foot drop which it has never had before, and it risks injury or worse. A duty of care must be taken into account for the public using the area.</p>	21/9/2022	Office	Julie Rogers	<b>Update to be provided at the 30 November 2022 Council meeting.</b>
