

**QUESTIONS FROM MEMBERS OF THE PUBLIC**

There is one question from a member of the public.

**1. From Mr Perrin to Councillor J Kent**

“In his budget speech the Chancellor intimated the Government would devolve power to Local Government to decide issues regarding “Sunday Trading”. It is suggested that the current restriction of 6 hours trading on a Sunday imposed on shopping malls and other large stores be lifted and the hours of trading should be in line with those permitted for small shops and businesses. Should your administration inherit such powers would you give me some idea as to what you would propose?”
