

Dear Mr. Bull,

23-6-2015

After the meeting held on 15-6-15
It was very disappointing as
nothing said has changed my
mind about a NO to a
P.C. So I do not agree to
a P.C. I agree that the state
of the roads are in poor repair.
We my husband and I paid
to have our road done at
a cost, but we were happy
to do it.

As for the cross roads mentioned
we agree something should
be done and we hope a
solution can be agreed
on this point.
