

**Petition received by the Council from residents in opposition to the proposed  
Parish Council on the Frost Estate**

Details of petition:

There is no denying that some roads of the Frost Estate have fallen into a very poor state of dis-repair. In particular the cross roads on the junction of Central Avenue and Gifford's Cross Avenue.

While the majority of residents want to see this area brought up to an acceptable condition and maintain the character of the estate, there is a split in the opinion that a Parish Council is the correct way to address this issue.

We the undersigned want to identify an alternative solution to the Parish Council that has (as a result of the public meeting on the 15/06/2015) highlighted many issues including:

1. Road repair is not historically within a Parish Council's responsibility.
2. No confirmed precept costs
3. Precept costs linked to Council Tax banding – not equal across the estate!
