<u>Youth Offending Service function and performance</u>				
1	To note the Overview & Scrutiny Committee comment on the function and performance of the YOS and review plans to address the two areas of improvement as set out in the HMIP Short Quality Screening Report dated 20th May 2015:		14 July 2015	The action plan from the SQS in May has now been fully implemented. Please see below.
2	To note that Intervention planning should genuinely involve children and young people and their parents/carers. The plans should be constructed in such a way that they are effective tools to drive successful interventions.		14 July 2015	Referral Orders already use initial panel meetings which involve parents and young people in a restorative process to construct their own intervention plans. It is felt that the quality of the planning in this area does not require improvement.

ITEM 9

				<p>Youth Rehabilitation Orders use intervention planning meetings at the start of the orders and parents/carers are invited. Paper copies of the intervention plan are now produced and discussed with the young person/ carer and signed accordingly.</p> <p>Detention and Training Orders use community review meetings on release from custody and parents/carers and relevant professionals are invited. Paper copies of the intervention plan and licence requirements are produced and signed accordingly.</p> <p>All YRO and DTO planning meetings are now chaired by operations managers or senior practitioners who ensure that all parties are actively involved in the planning of their interventions. The recording of the meeting on YOIS will now be integral to the existing quality assurance process.</p> <p>Case managers have been briefed to ensure interventions plans are SMARTer, commensurate to length of sentence and risk led. Language used in intervention plans will be age appropriate and in 'Plain English'. Case managers will avoid using 'standard' objectives that seem to have accumulated throughout generic practice.</p>
