

Motions Submitted to Council

In accordance with Chapter 2, Part 2 (Rule 15) of the Council's Constitution

Motion 3

Submitted by Councillor Stewart

"We call on Thurrock Council to immediately fund an alteration to the bus route to serve Fobbing over the winter months."

Monitoring Officer Comments:

This motion relates to a matter which affects the authority or the authority's area and for which the authority has relevant function. The motion uses the words "Call on" and as such is a request for a consideration of this option by the executive within the approved budget.

Section 151 Officer Comments:

For a three day per week service until the end of the financial year, a cost of £9,000 has been calculated.

When considering this, Members should note that the Cabinet considered a report at their meeting in November that spelt out a number of financial pressures that are being faced in this financial year and this would add to them.

In addition, Members should also consider why a service should be supported for this area and not for others that would then increase this estimated amount.

Is the above motion within the remit of Council to approve?

Yes
