

Motions Submitted to Council

In accordance with Chapter 2, Part 2 (Rule 15) of the Council's Constitution

Motion 1

Submitted by Councillor S. Hebb

"That Thurrock Council looks to encourage the extension of the current Oyster Card Railcard / Contactless Payment Scheme and/or its replacement from Grays C2C station to all zones across the borough as they would both be helpful and a support to residents and growth.

Council resolves to work with external agencies to realise this request."

Monitoring Officer Comments:

The principle is fine and should be assessed within the context of the transport infrastructure policy. An extension to the zones across the Borough could be a benefit and support residents and growth. However the Oyster card scheme itself is being withdrawn but is to be replaced.

Section 151 Officer Comments:

There are no financial implications arising from this motion. Should there be any extension; C2C should be liable for any costs.

Is the above motion within the remit of Council to approve?

Yes
